

## *Il Gruppo Folkloristico "Ricordi D'Italia"*

Ricordi d'Italia, a performance based Italian folk dancing group, has openings for individuals interested in preserving and fostering Italian culture through the art forms of folk music and dance. Through the joy of dance you'll have fun while deepening your appreciation of the Italian culture.

All new members will be taught the dance steps. We practice on Thursday evenings in Newton from 7:30 - 9:30 pm. We perform at a variety of venues.
